

LED RETROFITS & LONG LIFE LAMPS

Dependable and bright – long life LEDs and incandescent lamps last 10,000 - 30,000 hours

LED RETROFITS

Use commercial grade light string with LED retrofit lamps to run full reel length and save up to 80% in energy costs over incandescent. Suitable for decorative lighting, patio lighting, tents, events, pavilions, sales lots and many overhead perimeter lighting applications.

FEATURES

- Save up to 80% over incandescent lamps
- Run up to 330 feet of Commercial Grade Light String using less than 375 watts
- No filaments to break
- Seven vivid colors including Warm White which mimics the look of incandescent
- Incandescent styles also available (see facing page) with super long 10,000 hours average life

DECORATIVE LED RETROFITS

Clear glass with colored LEDs mimics the look of incandescent

Sixteen stacked LEDs arrayed for even light output

Nickel base conducts better than brass and resists corrosion

Premium LED S14 Retrofit
(shown in Warm White)

Fade resistant heavy-duty plastic creates sparkle and allows multi-year use

Seven stacked LEDs inside lens create even brightness

Shatterproof lens cover boosts safety and longevity

Nickel base conducts better than brass and resists corrosion

Standard LED S14 Retrofit
(shown in Blue)

MEDIUM BASE LED BULBS Sold in box quantities noted below.

S14-LED
New Premium Grade LED S14s, 120V medium base Dimmable! 1 watt each, 30,000 hour rated life, 3-1/8" M.O.L., 1-3/4" dia. 16 LEDs per bulb, clear glass cover
