

EARTHCARE

DIRECT-REPLACEMENT 17W

JUST SWAP IT IN

Kumho's Earthcare Direct Replacement LED lamps plug right in to existing fluorescent T8 fixtures, so there's no need to perform expensive, time-consuming rewiring. Switching to LEDs is as simple as changing a light bulb.

Direct replacement: Plugs directly into existing fluorescent T8 lamp fixtures

Energy efficient: Cuts energy usage by half compared to fluorescent T8s

Environmentally friendly: No mercury or other hazardous materials

Long lasting: 50,000 hour rated life reduces maintenance costs

Beautiful light: 110 degrees of clear, uniform, flicker-free illumination

EARTHCARE DIRECT-REPLACEMENT 17W

Product Data

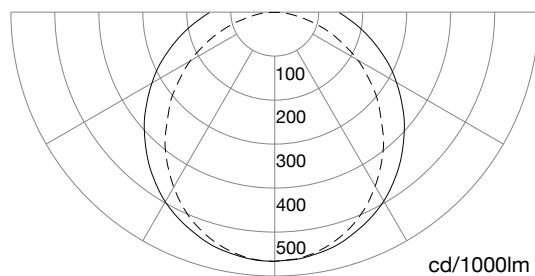

Light Output	2000 Initial Lumens
Efficacy	115 LPW
CCT	3500K, 4100K, 5000K
CRI	83
Input Voltage	120-277V
Lamp Wattage	17W
System Wattage	19W*
Power Factor	1.0
Base	G13
Ballast Compatibility	Electronic IS
Warranty	5 years
Lifetime	50,000 hours

Product specifications are subject to change. Please contact us for updates.

*Based on 2-lamp instant-start ballast (1.0 BF).
